MAY 8, 2020

Happy Friday

Thank you for making Teacher and Staff appreciation week so wonderful. We so appreciated the chalk art that greeted us at school along with the lovely handmade cards and gift certificates. Thank you for sending us so much love and support! - Erin

A special thanks to our district nurse and educational assistant

I would like to extend a warm thank you to our district nurse, Laurel Gretebeck and school health EA, Tammy Wirag, for all they are doing behind the scenes to prepare for a safe return to school next school year. Thank you for all you do!

Sumer Excel Canceled

It is with a heavy heart that the Summer EXCEL administrative team has decided to cancel the upcoming summer school programming, scheduled to run June 15 - July 10. After spending a considerable amount of time trying to find creative ways to provide a quality program while also considering the safety and wellbeing of our SASD families and staff, we feel the decision to cancel classes is the right decision. With that being said, we are already thinking ahead to Summer EXCEL 2021 and hope you will join us then for continued engaging enrichment and academic courses!
