VOLUNTEERING, IT DOES MAKE A DIFFERENCE!!

Are you looking for a rewarding experience, a chance to help out students? Do you know someone or are you related to someone that would be willing to volunteer that will positively impact students? We could use your help! Your interactions with the students will continue to build their curiosity and love of learning. We greatly appreciate having you here! please sign up at the following link: <http://signup.com/go/WjkrMCE>.

Volunteering, it does makes a difference.

RIVER BLUFF MUSIC INFORMATION

The 5th grade students were treated to a performance by the 7th Grade Band, Choir, and Orchestra students last Friday. The performance showcased your child's upcoming music opportunities available at River Bluff.

All 6th grade students can sign up for Band, Choir, or Orchestra, as all ensembles are open to all ability levels. Students who are interested in accessing more than one music ensemble should contact one of the music teachers listed below.

Mr. Rittenberry and Mrs. Meyer will be coming to each elementary school to offer Instrument Fitting for students interested in signing up for Band or Orchestra. This is a chance for students to try out different instruments that interest them and get information about what instrument fits them best. Instrument fitting will occur during the school day the week of January 20th.

In addition, a family friendly event entitled, "**Musical Arts Night,**" will be held at River Bluff on January 27th from 6 pm to 7 pm. This will be a time when students and their family can learn more about the music choices available to 6th graders, meet the music teachers and learn about instrument rental options. If unable to attend, please contact a music teacher to receive any missed information.

GRAB AND GO LUNCH ON FRIDAY

When there is a half day of school, the food service (Taher) offers a grab and go lunch for students. The students should let their teacher know if they are going to be getting a lunch before they leave on Friday morning.

SEL PARENT CONNECTION

If you've ever wondered what's holding you back from being as successful as you could be, it may very well reside in the way you think. Most importantly, you'll also learn what you can start doing to readjust your current mindset for long-term growth. Start the new year with examining your mindset. Be a model for your kid as you improve your own. We've got a quick and fun growth mindset quiz below that can help you on your way and show you where you are within the fixed vs growth mindset arena: <https://www.wabisabilearning.com/blog/growth-mindset-quiz>

ART SUPPLIES NEEDED

The art room is in need of the following donations for stop motion animation unit:

- Lego figurines
- Toy figurines (animals, people)
- Lego bricks

If your kids, niece or nephew are cleaning out their toy room and would like to donate these items to the art room, they would be much loved and appreciated! I will continue to collect until I've got a good stock of items for students to choose from.

Thank you so very much for your consideration.
