## Message from Mr. Kruse

Families and Students,

Keep up the hard work! I know virtual learning, COVID-19 and other things are wearing on us all. Please know we appreciate your continued support and hard work to move our students learning forward.

Be safe and have a wonderful weekend!!

M. J. Kruse

**Parents and Guardians...Thank you!!**

## What's Happening in the Business and Marketing Courses?

### Personal Finance:

In Personal Finance, we have already covered how to budget, the benefit of an emergency fund, how to open a checking account, and more! We are currently focusing on Saving and Investing. One thing the students have really focused on is the "50-30-20" rule: 50% of your income goes to needs, 30% of your income goes towards wants, and 20% of your income goes towards saving.

### Principles of Marketing:

Students in Principles of Marketing have learned about the marketing concept, marketing mix, and marketing functions! Those were pretty intense, but now we are learning about how they really impact the world around us and why we purchase products. We are currently learning about Economic Utility in marketing and how businesses have adapted with COVID-19 to stay in business. Curbside pickup? Delivery? EatStreet? Amazon Prime? All of these services have changed in the past 8 months and now provide awesome learning opportunities for our class.

### Principles of Business:

After finishing the first half of our business plans, we took a break to think about how we would "pitch" our businesses. This week, students watched various Shark Tank clips and learned about how a company comes to its valuation, why they need investors, what makes a pitch good or bad, and they now will create their own pitch to the sharks.

### DECA:

DECA members have been meeting virtually this year. We have had a guest speaker from Monona Bank and did a small scale food drive in the community. Up next, we will be preparing for the competition season and completing another community service project. T-shirts and member bags will be out by the beginning of December.

## Construction and Woods Class News

Last winter and spring the construction and woods classes built a 12 by 16 shed for the baseball field. The students built it inside during the winter and had it complete before school ended. It was recently

moved to the field. This project provided an excellent opportunity for students to gain hands-on skills through a real-world project.

This semester the welding classes have adapted to using online modules for safety and theory and will soon take advantage of videos demonstrating the projects produced by the instructors at MATC.

The architectural drafting class is working on designing a cabin and a set of construction documents. Drafting one is using Onshape, an online drawing program that works on Chromebooks to produce 3d models and drawings.

## SHS Book Club

Book Club will be meeting virtually on Thursday, November 19, at 3:30. All students are welcome. Please contact Mrs. Gargano for the Zoom link, if interested in attending.

## Parent Access to Schoology

Hello, Parents/Guardians of Stoughton High School!

Since it is the start of the second quarter, we wanted to remind you that you have access to your student's Schoology account, allowing you to keep track of assignments, grades, and upcoming tests, as well as a number of other things. If you would like access to Schoology, please contact Kate Heinecke at [kate.heinecke@stoughton.k12.wi.us](mailto:kate.heinecke@stoughton.k12.wi.us) for your log-in credentials.

Below is a link to a detailed tutorial that will hopefully answer most questions you have about how to access and navigate Schoology, but if you come across any other questions you can ask your student

or email [jenna.thiele@stoughton.k12.wi.us](mailto:jenna.thiele@stoughton.k12.wi.us). Jenna is one of the Schoology Support staff at the High School and is happy to answer any questions.

[Here is the tutorial explaining how you can access Schoology as a parent/guardian.](#)

## Counseling News

### UW-MADISON SCHOOL OF PHARMACY FALL OPEN HOUSE

Please join us online on November 14th for our PharmD Fall Open House. This event is designed for both high school and college students who are interested in exploring the Doctor of Pharmacy program at UW-Madison.

During this 2-hour session, you will learn about the opportunities available in the UW-Madison PharmD curriculum, have your questions answered during the admissions team Q&A and learn from faculty and current students about why pharmacy may be a great fit for you. Click [here](#) to register.

### UW-Madison November Information Sessions for Wisconsin Residents

UW-Madison is hosting four special sessions for Wisconsin Students. These sessions are shorter than a live information session and similar to a high school visit. Each session will be hosted by UW-Madison Admissions Counselors and provide some information and lots of time for your questions! All events will provide the same information, so please choose the one best for your schedule:

- **Thursday, November 12, 4 pm**, use [this link](#) to join us on Zoom
- **Tuesday, November 17, 11 am**, use [this link](#) to join us on Zoom
- **Thursday, November 19, 7:30 am**, use [this link](#) to join us on Zoom
- **Thursday, November 19, 4 pm**, use [this link](#) to join us on Zoom

### Nurtured Heart Approach

Monkey Mind

"The mind can be a crazy monkey always trying to escape"

### Yearbook Information - ORDERING INFORMATION

Thank you for your patience as we set up our yearbook purchasing site. We are excited to say we are open for business. Please see the instructions and link below.. We appreciate your support.

## How To Order A Yearbook

Books will be shipped directly to the address you provide. We will not be accepting checks or cash for the yearbook at the school. Total of the Yearbook \$60. Order window closes 3/19/21

## Yearbook Cover Design

Yearbook is asking your help to create the 2020-2021 yearbook cover design! This year's theme is Silver Lining! If you are not aware, Silver Lining means to be optimistic about a negative topic. We all have been pushed into our houses for the past 8 months, and we want to highlight the positives of this year's quarantine!

We would love to feature your artistic interpretation of our theme, Silver Lining. Here is what we need you to do...

1. Come up with an amazing idea that communicates the theme, Silver Lining. DO NOT USE ANY LETTERING- we just need pictures.
2. Turn that idea into some form of 2D art. Drawing, digital graphic, Photography, painting, etc. Only original art will be considered. Images or ideas that belong to or were created by an artist that is not you, is not considered original. Example: A drawing of Spongebob is not your original idea.
3. Take a picture of your artwork or save your digital file as a PNG file.
4. Email your image along with a written statement telling us how your creation fits our theme.
5. Send your images to [adrienne.stahl@stoughton.k12.wi.us](mailto:adrienne.stahl@stoughton.k12.wi.us).
6. Deadline- December 15th

## Student Course Fees

The following course fees are available to be paid in Infinite Campus: Basic Art 3D, Advanced Art, Ceramics and Sculpture, and Advanced Ceramics.
