

# SHS Weekly News

April 8, 2022

## Message from Mr. Kruse

Students and Families,

I hope everyone had a relaxing Spring Break. The fourth quarter has started and all Spring activities are in full swing. The last quarter looks to be coming fast and furious with May Awards ceremonies, activities, and Graduation.

This week's weather conditions remind us of severe weather possibilities. Students and staff, thank you for your participation in this week's Tornado Drill. We will be scheduling one additional drill in April. SHS will be conducting an Active Threat and Evacuation Drill the last week of April. I will provide more drill information in the upcoming E-News.

A quick reminder that we have ASPIRE Testing for 9th & 10th graders on campus on April 19th. 11th & 12th graders will be learning electronically at home. Please see the below ASPIRE testing information.

The prom is this weekend. Please see the information on Prom below.

Have a wonderful and safe weekend.

# Facilities Planning Update from Monday's Board of Education Meeting

Thank you, families, for your participation in our Community & Staff Facilities Workshops in February and March! On Monday at the Board of Education, we presented a summary of workshop themes based on your feedback, and we confirmed our next steps: a community-wide survey. ## The Great High School Whodunit (Play)

The school has become the fictional Dudley High. A sign at the door informs all who enter that they are students at Dudley High. The reason for the gathering (an assembly, a dinner, etc.) is to honor the Dudley Family, who've donated money to the school. Mrs. Dudley's ring — which she placed in the school safe for security — is stolen. Fortunately, a stranger appears — an FBI agent — ready to conduct the investigation. Except. . . a second stranger arrives, also claiming to be an agent of the Federal Bureau of Investigation. One is the real article. One is the infamous jewel thief, Jack of Hearts. The audience must unmask the jewel thief's accomplice and discover the location of the stolen ring.

The night includes pre-show entertainment, the staged setup scene, an audience participation clue hunt, and a staged conclusion.

April 21-23 at 7 pm in the SHS Auditorium. Tickets are \$8 at the door.

### Nurtured Heart Approach

I have been thinking about JOY being an ATTITUDE that defies circumstances while happiness is a FEELING based on circumstances a lot lately.

I don't know about you, but Brene Brown's work really speaks to me at a fundamental level. I think her metaphor about joy is a great reminder about NHA and the power of where we put our energy.

Like joy, our children's greatness can always be found in every moment if we choose to see it. Especially in the past two years as we have asked them to do so many new things in uncharted waters.

If we are constantly waiting to "catch our children" doing good, not only do we miss out on their determination, persistence, patience, respect, etc., we also provide them with the opportunity to up the ante with their behavior and are forced to intercede. Adults ALWAYS show up for an emergency! Always!

So be a twinkle light for your children. Tell them, in exquisite detail, every greatness you see!

To your JOY, GREATNESS, HUMANITY, & SIGNIFICANCE...  
Amy, (Karla & Sara Jane )
