Resident fee is charged for residents of the Stoughton Area School District when the group renting the facility is comprised predominately of district residents and the party reserving the facility is a district resident (physically residing in the district). A non-resident fee is charged to all groups or organizations not meeting the resident requirements.

* A two-hour minimum rental is required.

Custodial Fees

Organizations or individuals may not use district facilities without having a custodian on duty. When regularly scheduled custodial services are not available, a charge for the actual costs of custodial services will be made for all building users. Any overtime or additional costs incurred by the district, as a result of the agreement will be billed to the renter. The facility coordinator will provide a reasonable estimate of the anticipated additional costs at the time of the reservation.

Use of Timing System

- Organizations or individuals may use the district's timing system in one of two ways: If your organization has trained individuals with Hy-Tek Meet Manager experience you will pay a flat fee to use the system of \$50.00 per day residents / \$100.00 non-residents. Individuals will need the approval of the Aquatics Program Director.
- Organizations without trained operators will be charged \$20 per hour for use of the timing equipment which includes an operator to run the system.

Prorating

Organizations or individual(s) using the swimming pool, may have their fees prorated based on space used. The prorating must ensure the district recovers all costs associated with the use.

Policies Regarding Use of the Swimming Pool
